Welcome to Perth’s Worldclass Universities

Curtin University

Curtin University is ranked in the top 2% of universities worldwide in the highly regarded Academic Ranking of World Universities (ARWU) and equal 10th in the THEWUR: 100 Most International Universities in the World ranking.

Curtin boasts a rich diversity of cultures and a commitment to international engagement, with campus locations in Perth, Kalgoorlie, Sydney, Sarawak and Singapore.

Students learn through exposure to research, business and industry, which allows them to gain first-hand work experience and graduate with valuable skills. This unique combination of knowledge and experience will enable them to become successful members of the workplace following graduation.

Phoenix Academy and Curtin are working together to provide students with pathways to university study in Australia. This approach is embodied in the Streamlined Visa Processing partnership between our institutions which is designed to make the application process to study at Curtin easier for international students.

Curtin is a vibrant institution with an exciting future and I invite you to join us as we move forward and help make tomorrow better.

Professor Deborah Terry
Vice-Chancellor
Curtin University

Edith Cowan University

Edith Cowan University (ECU) has an established partnership with Phoenix Academy, which provides academic as well as English entry pathways to ECU for both Australian and International students.

ECU provides the ideal learning environment for people who want to reach their potential. Our industry-relevant courses, supportive study environment and award-winning facilities enable ECU students to do more than just survive in this world – they thrive in it.

ECU courses are developed in consultation with industry, and teaching staff have extensive industry experience and networks. It’s why ECU students can expect placement opportunities, fieldwork, practicums and networking events as part of their studies. This approach has been rewarded with five star ratings for teaching quality, graduate satisfaction and generic skills six years in a row in the Good Universities Guide.

I hope your pathway studies are successful and satisfying and I look forward to welcoming you to ECU in the future.

Professor Arshad Omari
Acting Vice-Chancellor
Edith Cowan University

Murdoch University

Murdoch University has an outstanding reputation as an institution that, within an engaging and caring environment, provides students with a quality education and recognised academic standing. Ranked at number 60 in the Times Higher Education 100 under 50 rankings, Murdoch University is one of the top 2% of universities globally.

Education at Murdoch is about creating opportunities for your future. Our admissions policy and partnership with Phoenix Academy, provides entry pathways to support you to achieve your goals and prepare you for a fulfilling and exciting life as part of a local and global community.

Studying at Murdoch University is about exploring new ways of thinking, discovering different perspectives and making a difference. Murdoch is committed to excellence in teaching and research within an international context and provides the ideal place to take the next step on your path of lifelong learning.

We aim to create leaders, innovative thinkers, and problem solvers who are capable of tackling contemporary issues on a local, national and global level.

We look forward to welcoming you to the Murdoch Community.

Professor Andrew Taggart
Acting Vice Chancellor
Murdoch University
